

SPECTATOR BEHAVIOUR

Thank you for coming and providing support to the players. Your presence is welcomed and appreciated.

Just a reminder, as a parent / coach / caregiver / supporter, once players are on court, your role is that of a respectful spectator.

The players role is to:

- Make line calls**
- Keep and call their score**
- Find their own way to win**

If there are any problems on court, players can contact one of their Team Captain or Manager.
