## Final Review March 2022

## **Player Facility Access Review**

### **Overview**

This review has been conducted over considerable time. It began in April 2020 and has finally concluded in February 2022.

### **Context:**

In 2018 Tennis Auckland developed a Strategic Platform for its larger facilities.

Tennis Auckland needs to have court space to develop programming and fulfil commercial priorities – primarily indoors and in peak time. Alongside this Tennis Auckland wishes to offer access to its facilities to support selected players to develop and train on indoor/outdoor hard courts at a reduced cost.

### **Player Criteria:**

- Current ATP/WTA singles and doubles ranked players (New Zealand Citizen).
- Current Davis Cup/Billie Jean King Cup Representatives (2021 & onwards).
- Current junior players (18 years or younger, as of 31<sup>st</sup> December in current year, coded to a Tennis Auckland club on Match Hub), meeting TNZ Gold and Silver Athlete Development Criteria, and engaged with TNZ's programming.
