# FAQs

## MATCH HUB

### How do I find my interclub draw?

1. Go to [www.tennis.org.nz](http://www.tennis.org.nz)
2. Click on Interclub and select Points/Draws from the drop-down list
3. Select 2024-2025 Auckland Senior Interclub from the list of competitions
4. Find your grade and click on the appropriate link.
5. You must check the website regularly for changes to your draw. Tell ALL your team members to do the same so they are aware of any changes.

### How do I enter my team's interclub results?

The winning team should enter results into Match Hub within the time specified in the rules. However, any player (from either the winning or losing team) who has been listed as an interclub team recorder can enter the result. To be listed as an interclub recorder your email address must be listed under your code on the Match Hub system and you must be ticked as a recorder on the Team List.

1. Go to [www.tennis.org.nz/resultslogin.asp](http://www.tennis.org.nz/resultslogin.asp) or look for the Capture Result link under Interclub on the Tennis Auckland Interclub pages [www.tennisauckland.co.nz](http://www.tennisauckland.co.nz)
2. You will see a Login window. Enter your Match Hub player code and password and click Login. If you do not have a password, or have forgotten it, then click the Request New Password button. If an error message appears please email [interclub@tennisaukland.co.nz](mailto:interclub@tennisaukland.co.nz) as your email address will be either missing or incorrect on the Match Hub system.
3. After logging in you must select the Interclub Round Number from the drop-down list. Select the opposition team and click the capture result button.
4. Next you will see the Interclub Results window. Enter your match results. There is a Help button that provides instructions should you require. Once entered, click the update button to submit the result. **PLEASE REMEMBER TO CHANGE THE DATE PLAYED IF THE CONTEST IS RESCHEDULED AND PLAYED ON A DIFFERENT DATE. THIS IS IMPORTANT FOR THE CALCULATION OF GRADING POINTS.**
5. The contest result and points are calculated automatically. Any errors will be highlighted in red. If you cannot find a player, or have any problems that you cannot fix, then write a note for the administrator in the box at the bottom of the screen. The result will be saved even if it is incomplete or has errors. After completing the result click the Exit button. The administrator will adjust points calculations if required.
6. Use the Display Points Table button to see the current standings and review any match result.

### When I requested a password it says my email is not registered. Why is that?

This means that for some reason your email is not in the system. To register your email, send

an email to **interclub@tennisauckland.co.nz** and ask for your email address to be registered for Match Hub. You will need to say which grade, club and team you play for.

### **Why has the password I requested not arrived in my inbox?**

If the email address you registered is a Hotmail, Yahoo or similar account the response from Configure Rankings may be sitting in your Junk Mail or Spam.

### **Do I have to enter the results after every contest? And can someone else from my team enter them?**

It is the responsibility of the winning team to enter the results, but if you notice the result is missing, you (as the losing captain/manager) can still enter that result. If you would like someone else to enter results you will need to give them your code and password or email **interclub@tennisauckland.co.nz** and ask for them to be added as a recorder in Match Hub. All players with their email attached to their Match Hub code will be able to record results for the grade in which they play as long as they are selected as a team recorder on the relevant team list.

### **Why can't I find a player in our team or the other team?**

The player is not on the team list in Match Hub. If the player you are looking for does not appear in the drop-down list of team players, click on the FIND button to do a search of their surname. If their name appears, click on it and it will appear in grey under the appropriate box. If their name does not appear write a note for the Administrator in the box at the bottom of the screen giving full details of the player's name and position they played. Don't forget to search nationally as some players may have another player code if they play for more than one club.

### **Why when we drew does the points table show zero (0) points?**

When it is a draw Match Hub sends Tennis Auckland a message to allocate the bonus points. Tennis Auckland add bonus points when grade results are checked and then the correct score will appear in the table. You do not need to do anything.

### **What happens if the result has already been loaded?**

Match Hub will not let you in once a result has been recorded. Even though you may have been the winning team sometimes your opposition may have already entered the result.

### **What is Match Hub?**

Match Hub is a Grading List of all competitive tennis players in New Zealand. All players, regardless of age, are in the same list. There are separate lists for males and females however mixed gender matches are eligible for grading points.

The Match Hub website at **www.tennis.org.nz** contains useful information about grading bands, points calculations and grading reviews throughout the season.

## SENIOR INTERCLUB – KEY RULES TO REMEMBER

### Have any Senior Interclub Rules changed since last season?

No.

### What are the most common issues that arise during Interclub?

- Playing ineligible players in the team;
- Not observing the playing order for the grade;
- Failing to ensure that regular team members play in at least one half of the contests during the season.

### How often are Regular Team Members expected to play?

A regular team member is required to play in at least half of the contests for his or her team. The highest-graded player on a Team List must be a regular team member. For Doubles and Mixed-Four Presidents teams, both the highest-graded man and highest-graded woman must be regular players.

### Can a player be listed on more than one Team List?

Yes. A player can be listed on a Team List in any, or all, of the four Competitions (Singles Competition, Doubles Competition, Super Tennis Competition and Mixed-Four Presidents Competition) as each is treated as a separate Competition. Players must meet the eligibility requirements set out in Rule 14 as summarised in the table over the page, and for the Doubles Competition and Mixed-Four Presidents Competition must be at least 30 years old.

However, a player cannot be listed on more than one Team List in the same Competition. Eg you could not be listed in both Open Men's 5 and Second Grade Men as these two grades are both part of the Singles Competition.

NB Players cannot play for more than one Club in Senior Interclub as per Rule 15.

## Promotion/Relegation Player Eligibility Table Singles Grades to Doubles Grades – Rule 14

Caro Bowl	If under 35 years of age at 1/9/24 If over 35 years of age as at 1/9/24	Cannot play Senior Interclub Can play Ferrier Cup only
Caro Bowl Reserve	If over 30 years of age as at 1/9/24	Can play Ferrier Cup only
First Grade Men	If over 30 years of age as at 1/9/24	Can play Ferrier Cup only
First Grade Women	If over 30 years of age as at 1/9/24	Can play no lower than Presidents A
Second Grade Men	If over 30 years of age as at 1/9/24	Can play no lower than Open Presidents 1

### Do I have to belong to an Auckland Club to play interclub?

Yes, you must be a financial member of a Club affiliated to Tennis Auckland.

### What Restrictions are there on a Listed Player playing for another team in the same Competition?

There are three restrictions:

1. A listed player cannot play for a lower graded team.
2. There are restrictions around grading as set out in Rule 14 (see table above).
3. A listed player may play up only three times for higher graded teams in the same Competition. Eg a player listed in Second Grade Men could fill in twice for First Grade Men and once for Caro Bowl Reserve Men. He stays in his Second Grade team and cannot fill in again for a higher singles team as he has played up the maximum three times. (Rule 12). This applies to players listed on a Team from the start of the Competition as well as players that are added to Team Lists over the course of the season.

### Can a player be added to a Team List once Interclub has started?

Yes. Players can be added to a Team List in two ways:

1. An Interclub Controller can send a written request to Tennis Auckland asking to add a player to a Team List at any time during the season subject only to meeting the eligibility criteria. For example, you cannot add a player with a grading higher the highest-graded regular team member on that Team List
2. A player who has not been listed on, or added to, a Team List in a particular Senior Interclub Competition before playing for a team in that Competition will be added to the Team List for the team that he or she first plays for. Clubs & Captains need to manage reserves to make sure players don't end up in too high a team after playing once.

## **Does a player need to be on a Team List by 1 February in order to play in Promotion-Relegation contests after 1 February? – Rule 12(2A)**

Yes. A player will need to be on a Team List by 1 February for the particular Competition that he or she wishes to play Promotion/Relegation contests for after that date. For Singles Grades the appropriate Competition is the Singles Competition. For Doubles Grades, the appropriate Competition is the Doubles Competition. Neither Super Tennis nor Mixed-Four Presidents count as appropriate Competitions for the purpose of playing Promotion/Relegation Grades after 1 February. The limitation of three play-ups continues to apply after 1 February.

## **Is there a Reserves List?**

No. The Reserves List no longer exists. Rather any player who belongs to a Club may play Interclub provided that they meet the eligibility requirements for the team in question.

## **Who has to play in the No.1 Doubles pairing when a specialist doubles player is used? – Rule 18(2)(a) and 18(2)(b)**

This depends on the singles grading band of the specialist doubles player.

If the singles grading band of the specialist doubles player is higher than that of the No.1 Singles player on that day then the specialist doubles player must play in the No.1 Doubles pairing. The other players, including the No.1 Singles player, can play in any order in the doubles.

Where the singles grading band of the specialist doubles player is not higher than that of the No.1 Singles player on that day then the No.1 Singles player must play in the No.1 Doubles pairing. The other players, including the specialist doubles player, can play in any order in the doubles.

## **How are the Grade Winners decided when there is a points-tie at the end of the season? – Rule 28**

Should two teams finish equal on points at the end of the Competition then the winner will be the team that won the most contests during the season. If both teams win the same number of contests, then the winning team will be the team that won the contest when the two teams played each other. Should that contest have ended in a tie then the procedure set out in Rule 28(3)(b) and (c) shall be used to determine the winner of the Grade.

If three or more teams finish equal on points at the end of the Competition then the winner will be decided by:

- The number of contests won; then if necessary
- The percentage of sets won of sets played; then if necessary
- The percentage of games won of games played.

The above formula also applies when deciding promotion and/or relegation places if teams are tied.

### **Does a Team lose Points if it has to Default some or all of its matches in a contest? – Rule 25(3)**

Yes. The defaulting team will lose competition points according to the following table:

	Singles Competition Super Tennis Competition Mixed-Four Competition	Doubles Competition
Full team default notified at least 24 hours in advance	Two points deducted	Three points deducted
Full team default with no notification	Three points deducted	Four points deducted
Failure to complete more than half the matches in a Contest	Two points deducted	Three points deducted

### **What are the Time Requirements for Teams to be present before a Team is defaulted? – Rule 25(2)**

Hopefully captains will talk to each other and reach an amicable solution if there is the chance of a player not being able to arrive at the scheduled time. Where no agreement has been reached then the Rules provide as follows:

- Within 20 minutes of the starting time a Team must have available the players to play in the first two matches as per Rule 22. For Singles Grades this is the two Doubles matches; for Doubles Grades this is the No.4 and No.3 Mixed Doubles matches, for Mixed-Four Presidents Grades this is the Mixed Doubles.
- A Team must have all of its players present within 45 minutes of the starting time to avoid defaulting further matches.
- Special conditions apply to Super Tennis.

### **What are the Special Default Rules for Super Tennis? – Rule 29(7)**

Because Super Tennis contests are played within certain time restrictions different default Rules apply subject always to agreement between the respective Captains.

The order of play in Super Tennis is for the No.1 & 2 pair and the No.3 & 4 pair to play first. If a pair is not available to commence play at the scheduled starting time that pair will be penalised one game for every five minutes they are late and will be defaulted after 15 minutes if they are still not available. If the full team has not arrived within 45 minutes of the scheduled starting time then that team will lose by default.

### **What does “short-handed” mean under Senior Interclub Rule 12(3)(c)?**

This means that a team does not have the required number of players available to play all matches in a contest. For Singles, Mixed-Four and Super Tennis grades that is four players per team. In Presidents grades, that is eight players per team.

If a team is short-handed, all players must move up and play in the highest position possible, while still observing playing order rules. ie if a Singles team only has three players available, the top doubles must be played and the no. 1-3 singles.

If a player starts or completes one match and is unable to play the second match of the day, they default the match they would have played. This means if they were scheduled to play no. 1 singles, they would default that match. In this scenario, players do not move up to cover their absence

## IMPORTANT REMINDERS FOR SENIOR INTERCLUB TEAM CAPTAINS

- Start times for contests are indicated on the draw. Teams should arrive 15 minutes early, if possible, and be ready to play at the allocated time.
  - If the playing order for matches cannot be agreed, the order stated in the Rules must be followed. Teams should do their best to accommodate each other and play within the spirit of the game.
  - Fill in your team sheet prior to the start of the first match. Make sure result sheets are filled in correctly and include the full names of all players. Both captains need to sign the completed sheet.
  - The captain of the winning team should enter the result into Match Hub. The result sheet must be kept for 4 weeks after the completion of the Competition.
  - **Playing order in Senior Interclub is determined by two grading lists:**
    - For play between September and December 2024 - **Grading List is as at 15 August 2024**
    - For play between February and April 2025 - **Grading List is as at 1 February 2025**
- Refer to Senior Interclub playing order rules** Rules 18(2)(a) and 19(2)(a) for Promotion/Relegation Grades and Rules 18(2)(b) and 19(2)(b) for Open Grades.
- Check with your Interclub Controller to ensure you are using the correct Grading List.**
- No contest shall be started or continued if the weather or court conditions are not suitable for play. Refer to Rule 17.
  - If a contest is rained out, and team captains cannot agree on a date to replay it, inform your Interclub Controller. He or she can contact Tennis Auckland and ask for the contest to be rescheduled. Once a new date has been set, it is recommended that team captains contact the opposing captain before the rescheduled contest to make sure he or she is aware of the new date.
  - Some contests will be played at Association Venues - Merton Rd Tennis Centre, Manukau Tennis Centre, ASB Arena and Nicholson Park. If you are scheduled to play at these venues, there is no host team so please co-ordinate with the opposing team captain regarding refreshments. Please report to the Pro Shop at Merton Rd Tennis Centre on arrival.
  - For contests at ASB Tennis Arena, Tennis Auckland will supply parking passes. These will be emailed to team captains on the week of the contest. Please report to Next Gen reception on arrival.

## **PART II - SENIOR INTERCLUB COMPETITIONS**

### **4. Senior Interclub Competitions**

- (1) The Senior Interclub Competitions shall be those listed in the First Schedule.
- (2) Each Competition listed in the First Schedule shall be a separate Competition for the purposes of these Rules. ie The Singles Competition, the Doubles Competition, the Super Tennis Competition and the Mixed-Four Presidents Competition are each separate Competitions.

### **5. Format For Entries**

Entries for the Senior Interclub Competitions shall be submitted by Clubs to the Committee by a date to be fixed annually by the Committee. Entries shall be in the form prescribed annually by the Committee, shall contain all the information stipulated, and shall be accompanied by the entry fee.

### **6. Eligibility To Enter Promotion/Relegation Grades**

- (1) Subject to the Promotion/Relegation Rules Clubs eligible to enter the Promotion/Relegation Grades shall be those Clubs which had teams entered in that particular Grade the previous season.
- (2)
  - (a) If a Club feels it is unable to field a competitive team in a Promotion/Relegation Grade it may request relegation to the immediate grade below. Such a request must be in the hands of the Committee prior to 15th July in any year.
  - (b) The vacant position will be offered to the next eligible Club/s in the grade immediately below as per Rule 4.1 of the Promotion/Relegation Rules. If the promotion offer is accepted, that Club shall be promoted and the Club requesting relegation will be relegated to the grade immediately below.

- (c) Should no eligible Club take up the offer of promotion then the Committee will ask the Club requesting relegation if it wishes to withdraw its team from the Promotion/Relegation Grade. The Club then has three working days from the receipt of this advice to advise the Committee of its decision.

## **7. Declaring Grade Abandoned Due To Lack Of Entries**

The Committee may declare any grade abandoned for any season should the Committee consider that insufficient entries have been received in that particular grade. Clubs who have entered in any abandoned grade shall be given the opportunity to make entries in other grades.

## **8. Restriction On Number Of Teams Per Club**

- (1) A Club may enter one team of eight persons for every 15 financial full playing members of the Club.
- (2) A team consisting of four persons shall be considered to be half a team under this Rule.

  - (b) Four or more teams entered in the Senior Interclub Competitions...two to four courts

- (2) For any given interclub day, the host Club may change the courts allocated for contests but may not reduce the number of courts allocated on the draw to any contest at that Club.
- (3) Where a Club proposes to use courts other than their Club courts for interclub, such courts and facilities must first be approved to be of sufficient standard by the Committee.

# **PART III - TEAM LISTS AND PLAYER ELIGIBILITY**

## **10. Team Lists**

- (1) A Team List shall be provided for each team entered by a Club in the Senior Interclub Competitions by the closing date for entries for that season.
- (2) Each Team List shall show the names of the regular team members for that team for the season.
- (3) The highest-graded player on a Team List in the Singles Competition and in the Super Tennis Competition must be a regular member of that team. The highest-graded man and the highest-graded woman on a Doubles Competition Team

- (4) The Team List for a Singles Competition Team and for a Super Tennis Competition Team must show a minimum of four regular team members.
- (5) The Team List for a Doubles Competition Team must show a minimum of four regular men and four regular women team members.
- (6) A “regular team member” is a player that the Club at the time of entering the Team List reasonably believes will play in at least one half of the contests throughout the season for the team in which that player is listed. The onus of establishing that belief shall lie with the Club.
- (7) A player may be listed on the Team List of one or more of the Senior Interclub Competitions (ie the Singles Competition, the Doubles Competition and the Super Tennis Competition) subject to meeting the player eligibility criteria in Rule 14.
- (8) Where a Club has more than one team in the same grade, these team compositions can be balanced (eg each team can be made up of two S2 and two S3 players). The teams will be numbered Team 1 and Team 2 etc but once these teams have been listed players cannot be interchanged.
- (9) The Committee may require a Club to produce evidence as to the availability of a player included in a Team List. If the Committee is not satisfied that the Club has reasonable grounds to believe that the player would be a regular team member then the Committee may delete that player’s name from the Team List.

## **11. Amending A Team List**

Subject to Rules 12(2), 12(2A) and 14 a player may be added to a Team List at any time by written notice to Tennis Auckland provided that the grading band of the player to be added to the Team List is not higher than the grading band of the highest graded man on the Team List in the case of the man, or the grading band of the highest graded woman on the Team List in the case of a woman.

## **12. Substitute Players For Team List Players**

### **(1) Players Listed On A Team List Playing For Another Team**

- (a) Subject to Rules 12(2A) and 14:
  - (i) A player on a Team List; or
  - (ii) A player deemed to be on a Team List under Rule 12(2) may play a maximum of three contests for higher graded teams in the same Senior Interclub Competition provided that the player’s grading band is not higher than the grading band of the highest graded man on the Team List in the case of a man, or the grading band of the highest graded woman on the Team List in the case of a woman.
- (b) A player listed on a Team List or a player deemed to be listed on a Team List under Rule 12(2) may not play in a lower graded team in the same Senior Interclub Competition notwithstanding that the player may not have played in any contest or contests in the grade in which that player is listed.

**(2) Players Not Listed On A Team List**

Subject to Rules 12(2A) and 14 a player who has not been listed on, or added to, a Team List in a particular Senior Interclub Competition may play for any team in that player's Club in that particular Competition provided that the grading band of that player is not higher than the grading band of the highest graded man on the Team List in the case of a man, or the grading band of the highest graded woman on the Team List in the case of a woman. That player will be deemed to have been added to the Team List of the team that he or she first plays for.

**(2A) Eligibility For Promotion/Relegation Contests After 1 February**

To be eligible to play in Promotion/Relegation contests after 1 February a player must by that date –

- (i) In the case of the Singles Competition be listed on the Team List of a team in the Singles Competition;
- (ii) In the case of the Doubles Competition be listed on the Team List of a team in the Doubles Competition.

**(3) Substituting Players After A Contest Has Commenced**

- (a) A player may not be substituted once that player has commenced playing a match in the contest.
- (b) If a player is injured or falls ill during his first match in a contest and has to default this match, that player is still eligible to play in his or her second match in that contest.
- (c) Where a team is shorthanded the players present must play in the highest position possible and the bottom match/matches shall be defaulted by the shorthanded team. Should an eligible player become available after the contest has commenced that player may play in the contest provided that the playing order in Rule 18(2) or Rule 19(2) can be observed.

**13. Transfers**

- (1) Any player who represents any Club in a Promotion/Relegation Grade in any season may not in the immediately following season represent any other Club in a Promotion/Relegation Grade without first obtaining the consent to transfer in writing from the Club which that player represented in the previous season. Until such consent is obtained no Club may include any player on a Team List which requires such consent as set out in this Rule. Consent to transfer may not be unreasonably withheld.
- (2) Consents to transfer must be submitted on the official Transfer Form.
- (3) If a decision on a request to transfer is not forthcoming within a reasonable time the Committee may be approached to adjudicate on that request to transfer.
- (4) All consents to transfer must be in the hands of the Committee by the 1st August each year.

- (5) Where a player does play for another Club contrary to Rule 13(1) then:
- (a) All points for matches won by that player and all points for matches won by any other member of the team who played below the player playing without consent in any contest shall be deducted and those points will be awarded to the opposing team.
  - (b) That player may play in a Promotion/Relegation Grade only for the Club he or she played Promotion/Relegation for the previous season. For the purpose of transfers for the following season that player will be deemed to have played for this Club and will therefore require a transfer to play in a Promotion/Relegation Grade for another Club in the following season.

#### **14. Player Eligibility**

- (1) Players must be financial full playing members of a Club affiliated to Tennis Auckland.
- (2) In the Doubles Competition players must be 30 years of age or over as at the 1st September of the year that the Competition starts.
- (3) Players shown on a Caro Bowl Team List are ineligible to play in the Senior Interclub Competitions with the exception that players who are 35 years of age or over as at 1st September of the year that the Competition starts may play in Ferrier Cup in the Doubles Competition.
- (4) Players shown on Caro Bowl Reserve (Men and Women) and First Grade Men's Team Lists may play no lower than Ferrier Cup in the Doubles Competition.

### 13. Caro Bowl Contests

If both players playing up have the same grading band they can play in any order.
- (2) Doubles

If the score is one set all a Super Tie-break (first to ten points with a two point advantage) will be played to decide the winner.

#### **16. Substituting Players After A Contest Has Commenced**

- (1) A player may not be substituted once that player has commenced playing a match in the contest.
- (2) If a player is injured or falls ill during his first match in a contest and has to default this match, this player is still eligible to play in his or her second match in that contest.

#### **17. Coaching**

Coaching by either the Team Coach or a designated person is permitted during a match. Coaching shall only take place during the change of ends and must not disrupt progress of the match. Each team is allowed no more than one person at the side of each court.

## 19. Official Ball

Teams shall use the adopted ball specified each season by the Committee. Each team shall provide 3 x three ball cans of new first grade tennis balls for each contest.

## 20. Court Surface

Where a Host Club has a choice of court surfaces available the Host Club must notify the opposing Club as to the court surface that will be used at least one week prior to the contest.

## 21. Defaults

- (1) Unless both captains agree otherwise the following default process shall apply:
  - Any doubles combination not on court within 20 minutes of the designated start time will be defaulted.
  - Any singles player not present to play his or her singles match within 45 minutes of the designated start time will be defaulted. The players present in that team must then play in the highest position possible in any remaining match or matches and the team sheet shall be altered accordingly.
- (2) Where a Club defaults a contest or defaults more than half the matches in a contest that Club shall be deemed to have committed an offence against these Rules and the Committee may if it sees fit take action against that Club under Rule 25.

## PART V - RESULTS

### 22. Entering Results

The captain or nominated person from the winning team is responsible for entering the results into the Match Hub electronic system by 12pm the day following the contest. # MIDWEEK INTERCLUB - KEY RULE CHANGES

## What Rules have changed since last season?

There were No Rule changes from last season but below is a reminder of the rule changes introduced three seasons ago.

### 1. Regular Team Members – Rule 8

A “regular team member” will now be required to play in at least one half of the contests for their team. The highest graded player on a Team List must be a regular team member.

### 2. Amending a Team List – Rule 9

Players can now be added to a Team List in two ways:

1. An Interclub Controller can send a written request to Tennis Auckland asking to add a player to a Team List at any time during the season subject only to meeting the eligibility criteria. For example you cannot add a player from a grading band higher than the highest graded regular team member on that Team List.
2. A player who has not been listed on, or added to, a Team List in a Midweek Competition before playing for a team in that Competition will be added to the Team List that they first play for. Clubs and Captains need to manage reserves to make sure players don't end up in too high a team after playing once.

### 3. Promotion/Relegation Teams (Summer Interclub Championship Grades) – Rule 10(2A)

A player will need to be on a Team List **before the date set for the fourth round** of the particular Competition that they wish to play Promotion/Relegation contests for after that date. This is a change from the 1 March deadline in the previous Ladies Midweek Rules.

### 4. Reserves List

The Reserves List will no longer exist. Rather any player who belongs to a Club may play Interclub provided that they meet the eligibility requirements for the team in question.

### 5. Playing Up – Rule 10

Players listed on a Team List can fill in for a higher team provided that the player's grading band is not higher than the grading band of the highest-graded player in the team that they are filling in for. A player can only play up twice during a Competition. A player will no longer join a higher team after filling in twice – that player will remain in the Team for which that player was originally listed.

## Can a player be listed on more than one Team List (Rule 10(5))?

Yes. A player can be listed on a Team List in both Midweek Competitions. The Monday and Tuesday Competitions are separate. A player can play/be listed in a team in the

Monday Competition and a team in the Tuesday Competition. The level at which a player plays in one Competition has no bearing on the level that player can play in the other Competition.

However, a player cannot be listed on more than one Team List in the same Competition. Eg you could not be listed in both Monday Open 1 and Monday Open 3 as both are in the Monday Competition.

**NB Players cannot play for more than one Club in Midweek Interclub.**

### **Do I have to belong to an Auckland Club to play interclub?**

Yes you must be a financial member of a Club affiliated to Tennis Auckland.

### **Can I play Senior Interclub and Midweek Interclub for two different Clubs?**

Yes, you can play for a different Club in the Senior Interclub Competition from the Club that you play for in the Midweek Interclub Competition. Players must be a financial member of both Clubs that they represent.

Players no longer need to complete a Dual Club Notification Form if playing for two Clubs. However, players who represent a Club in a Championship Grade in any season and wish to represent a different Club in a Championship Grade the next season, will need to complete a Transfer Form. This must be with Tennis Auckland by **1 December 2024**.

### **What Restrictions are there on a Listed Player playing for another team in the same Competition? – Rule 10**

- A listed player cannot play for a lower graded team.
- The player cannot be graded higher than the highest-graded player on the Team List they are filling in for.
- A listed player may play up only twice for higher graded teams in the same Competition. Eg a player listed in Monday Open 5 could fill in once Monday Open 3 and once for Monday Open 2. The player stays in Monday Open 5 and cannot fill in again for a higher team as they have played up the maximum two times.
- A player must be on a Team List in the same Competition before the date set for the fourth round of the Championship Competition in order to fill in for a team playing in a Championship Grade in that Competition.

### **How will the Grade Winners be decided if there is a points-tie at the end of the season? – Rule 23**

Should two teams finish equal on points at the end of the Competition then the winner will be the team that won the most **contests** during that Competition. Previously this was decided on sets and games won.

If both teams win the same number of contests, then the winning team will be the team

that won the contest when the two teams played each other. Should that contest have ended in a tie then the procedure set out in Rule 23(3)(b) and (c) shall be used to determine the winner of the Grade.

The above formula also applies when deciding promotion and/or relegation places if teams are tied.

### **Does a Team lose points if it has to Default a contest? – Rule 16(3)**

Yes. There is no longer a \$50 fine for teams that default contests. There are now point penalties instead:

- One competition point deducted for defaults with at least 24 hours notice
- Two competition points deducted for defaults with less than 24 hours notice

### **What are the Time Requirements for Teams to be present before matches are defaulted? – Rule 16(2)**

Hopefully captains will talk to each other and reach an amicable solution if there is the chance of a player not being able to arrive at the scheduled time. Where no agreement has been reached then the Rules provide as follows:

Within 20 minutes of the starting time a Team must have available the players to play in the first two matches. A Team must have all of its players present within 45 minutes of the starting time to avoid defaulting further matches.

## Self-Umpiring Tennis Rules - FAQs

- All calls on your side of the net are your responsibility (i.e. you cannot ask an opponent for a let because you do not agree with their call). If you have any doubt as to whether a ball is in or out, you must give your opponent the benefit of the doubt and play the ball as good. You should not play a let.
- Any 'out' call must be made instantaneously (i.e. made before either an opponent has hit the return or the return has gone out of play); otherwise the ball continues in play. The call should be made both verbally and by using a hand signal.
- Do not enlist the aid of spectators, including parents, in making calls.
- If a player incorrectly calls a ball 'out', and then realises the ball was good, the player who called the ball 'out' loses the point.
- To avoid controversy over the score, the server should announce the set score (e.g.. 5-4) before starting a game and the game score (e.g. 30-40) prior to serving each point. Game scores must also be recorded on each end change and at the end of each set. • Always use score boards when available
- You cannot call 'foot fault'. A player could courteously inform their opponent if they appear to be foot faulting repeatedly at change of ends.
- If there is a score dispute, both players should restart play on a previous score they both agree on.
- If a ball hits a permanent fixture (i.e. net post, umpire chair, light post) after the ball has hit the correct court, then the player who hit the shot wins the point. If a ball hits a permanent fixture before the ball has hit the correct court, then the player who hit the shot loses the point.
- If a player hits a shot that lands in the opponent's court, but then spins back into their own court or into the net, the player who hits the shot wins the point.
- A player's racquet may pass over the net after hitting the ball on their own side of the net.
- A player instantly loses the point if any part of their racquet, body or clothing touches the net.
- If a ball or external object (i.e. drink bottle, score sheet, bird) interrupts play at whatever stage in a point, each player has the right to call a let. The point will then begin with the server having a first serve.
- Underarm serving is legal and the server does not need to inform their opponent they are going to serve underarm.
- If play is disrupted for any reason (e.g. rain), the match will resume from the exact score as to when the disruption occurred.
- If a server throws up a ball toss, swings, and fails to contact the ball, the serve is deemed as a fault.

# GUIDELINES FOR PARENTS, COACHES, SUPPORTERS AND SPECTATORS

Some important reminders for Junior Interclub Captains:

## Starting Time

Saturday Interclub – Open Grades start at 8.30am – please make sure your players arrive at the assigned venue by 8.15am. Beginner Grades start at 12.30pm – please make sure your players arrive at the assigned venue by 12.15pm

Sunday Interclub – Open and Beginner Grades start at 9am – please make sure your players are at the assigned venue by 8.45am

## Balls

Each Open Grade team should provide two Wilson US Open balls in new or near new condition. The test for used balls is that the writing on these should still be legible. Beginner Grades and 10 years and under grades use Green Dot Balls.

## Scoring

All Open Grade matches play first to nine games with a tie-break at eight games all (standard tie-break, first to seven points with a two-point winning margin). Normal deuce scoring ie no sudden death.

All Beginner Grades are first to six games. No tie-break is played. Normal deuce scoring.

## Contests & Playing Order

All Open and Beginner Grade contests will consist of two doubles matches and four singles matches. Doubles are played first followed by singles (as players become available).

Players can play in any grading band order in the singles, but it is within the spirit of the competition to have the strongest players at no. 1 and no. 2. The highest listed singles player on the day, who also plays doubles, must play in the no. 1 doubles. Please make sure that players stick to the playing order written on the team sheet, which should be filled out before play starts.

## Wet Weather

There are no blanket cancellations. If the weather is showery report to the venue and aim to finish the contest if possible. In the case of bad weather, contact the opposition captain or manager to avoid any unnecessary travel. Teams have 14 days from the original scheduled date to play a contest.

Any contests that have at least three matches finished, when play stops due to bad weather, need to be completed by the following Wednesday.

Tennis Auckland will only reschedule contests if teams are unable to mutually agree on a new date. Refer to rule 14 for more information.

## Playing at ASB Arena

Some teams may be assigned to play at ASB Tennis Arena on courts 2-5. Teams playing at the Arena will be sent parking passes for the Wilson Car Park across the road from Tennis Lane, before the Saturday or Sunday the contest is scheduled. Please report to reception upon arrival.

When playing against Next Gen teams, please contact the opposition captain who will confirm parking and access arrangements.

## **SOME “DO’S” AND “DON’TS” FOR SUPPORTERS**

### **DO**

- Applaud good play and winning shots by both players.
- Keep outside the court area (behind fences and off the court surface).
- Accept the decisions of officials and line calls of players.

### **DON'T**

- Communicate with players verbally or by signal during a match (including end changes).
- Call the lines from outside the court – the players call their own lines.

## **BEGINNER GRADES**

- One parent may accompany the umpire to help with SCORING ONLY. They must not call the lines or in any way interfere with the players line calling.
- Parents may adjudicate ONLY when an extra court is available and by mutual agreement of both teams, they follow the adjudication rules outlined.

## **ADJUDICATING – JUNIOR INTERCLUB**

When another player is umpiring the adjudicator is responsible for:

- Calling and keeping the score.
- Calling all lets.
- Adjudicating when players cannot agree on a call.

Each player is responsible for:

- Calling the ball on their side of the net.
- Making their call quickly and audibly (so the opponent can hear)
- Correcting themselves if they make a mistake.
- If a player is unsure of his/her call, the ball is to be called good.
- No call also means that the ball has been called good.

## **QUERYING CALLS**

- The adjudicator ONLY gets involved when there is a disputed call.
- When asked the adjudicator will immediately make a decision either confirming the call or overruling it.
- If overruling, the point is awarded against the player who makes the call.
- If the adjudicator is unsure or unsighted (blocked from viewing) the original call stands.
- The adjudicator’s decision is final. All must accept the decision made.

## **UMPIRING**

Teams may by mutual agreement have players fully adjudicate Junior Interclub Matches. Should there not be mutual agreement the Rules and Guidelines apply.

## TIPS FOR JUNIOR INTERCLUB TEAM MANAGERS

- Check out if the players are available for all matches – good idea to do before making a roster! Request they let you know asap if they become unavailable for interclub matches.
- Once you know the match draw create a roster of players/matches in advance and email out to parents.
- If you are struggling to field a team, contact the other team managers to see if another player can cover. Ring your Junior Interclub Controller to see if they can help find a reserve player.
- If you still cannot field a full team, ring the opposing team manager to let them know how many you are bringing as early as possible in the week.
- Encourage your team to introduce themselves to the opposition players.
- Talk to the team about sporting behaviour, line calls on their side, calling out the score after each point and shaking hands at the end of the match.
- Write an identifying mark on your team tennis balls and encourage your players to keep an eye on them and try not to lose them.
- Possibly create a parent rota of transport from the club to away matches if some parents are unavailable.
- If it is a home game, aim to arrive about 30 minutes early. Set out mugs, coffee and tea, sugar and milk and mention to opposing team managers and parents to help themselves. If an away game, encourage team members to arrive early to warm up. Ensure your team know where bathroom facilities are located at the venue and which courts they are playing on.
- Encourage players to bring water and a snack such as a banana for energy and to wear a hat and sunscreen if it is sunny.
- Encourage your team captain to take the lead in completing the score book and getting signatures at the end. Check the results match before signing off.
- If your team wins YOU are responsible for putting the score into Match Hub within 5 days.
- Encourage your team members to attend inter-club practices to improve their match play.
- Role model positive sporting behaviour and try not to call out bad decisions! Praise the kids for their efforts and match play.
- Thanks for all YOUR work and efforts to support junior tennis at your club

# INTERCLUB TEAM – CONTACT DETAILS

Please read all interclub rules before your first match of the season. Answers to frequently asked interclub questions are available in the interclub handbook and on the Tennis Auckland website. One of the most common reasons that senior teams are docked points is for playing their team in the wrong order (Senior Rules18(2) and 19(2)). To make sure you don't play 'out of order', please copy your team list from the Tennis Auckland website into the contact table below. In Junior Interclub, players may play in any order, but where possible should play in order of ability to ensure all matches are as even as possible. The contact sheet below is for your reference only.
